THINGS TO REMEMBER!

- ☐ Will your event take place rain or shine?
- ☐ Where is the sun at the time of your event?
- ☐ Will you need electric for anything?
- ☐ Will you have entertainment other than uncle Jack's vacation stories?
- ☐ Will you need tables, tents and chairs for your party?
- ☐ You may want to rent a PORT A JOHN if you have an old septic, or a large party.
- ☐ Have your serving time 1 hour after the party starts. (This allows your guest to arrive and settle in.)
- ☐ Do you need any special occasion cakes or desserts for your party?
- ☐ Remember to clean up after your four legged family members.
- ☐ Do you have activities for the kids to keep them entertained?
- ☐ Are there any vegetarians coming?
- ☐ Will you need any appetizers to put out before serving time?
- ☐ If you are doing your own drinks, make sure you have a bottle opener & cork screw on hand!
- ☐ If you have an imported keg of beer, make sure you get the correct type of tap for it. (They are not all the same)
- ☐ If you have out of town guests coming for a day or two, a bed and breakfast might be nice for them to stay at, plus it (frees) you your time!
